ROSER COMMUNICATIONS NETWORK, INC.

EEO OUTREACH ACTIVITIES

February 1, 2016– February 1, 2017

Roser Communications Network, Inc. has set up a comprehensive outreach and recruitment program and an EEO self-assessment program designed to widely disseminate information regarding full-time job opportunities at its stations and to ensure the compliance of the unit with the FCC's EEO rules.

Every six months, all Roser Communications Network, Inc. stations air a Public Notice Press Release inviting community groups, minority organizations and interested civic organizations to notify station management if their group would like to be notified regarding each new, full-time job opening. Roser Communications Network, Inc. also sends these same press releases, annually, to community groups, minority organizations and interested civic organizations seeking the involvement of local groups as part of the licensee's recruitment efforts. To date, four local groups have expressed interest in receiving information regarding any job openings. The licensee plans to continue its advertising efforts with the hope that local groups might soon be interested in receiving such information.

Roser Communications Network, Inc. advertises all of its job openings on the air over each of its broadcast stations and, where appropriate, in the local newspapers, Utica Observer Dispatch and The Johnstown Gazette or on local television station WPNY-DT, or on Cable TV.

Roser Communications Network, Inc. has selected the following menu options as a result of self-assessment of its EEO program:

Host One Job Fair every other year.

Participate in other activities than the ones listed that the licensee has designed to further the goal of disseminating information about employment opportunities.

Provide training to management level personnel as to methods of ensuring equal employment opportunity and preventing discrimination.
